White River Junction VA Healthcare System begin offering COVID-19 vaccinations for Veterans of all ages

White River Junction, VT —White River Junction VA Healthcare System has begun offering COVID-19 vaccinations to Veterans of all ages who are enrolled in VA healthcare.

With the greater and more consistent availability of Vaccine, **White River Junction VA Healthcare System is now able to schedule enrolled Veterans of all ages** to receive the COVID-19 vaccine. If you are a Veteran who would like to schedule an appointment to receive your COVID-19 vaccine through the White River Junction VA you can call 802-296-5151.

If you are a Veteran not enrolled in VA Healthcare, contact the enrollment office beforehand to begin your application, you can call 802-295-9363 extension 5118.

It's important for everyone to continue using all the tools available to help stop this pandemic as we learn more about how COVID-19 vaccines work in real-world conditions. Even after vaccination, Veterans and employees should continue to:

- Wear a face covering
- Watch your distance (stay 6 feet apart)
- Wash hands frequently

Please continue to follow federal, state and local safety guidelines.

VA is eager to begin administering the vaccine and asks all Veterans and VA health care personnel for their patience when calling in to schedule as the call volume has increased.
